

Sports Premium Spending Plan 2022-3

Objective 1: Engaging all pupils in regular physical activity

£7500

Planned actions		Funding allocated	Expected impact	Sustainability
1	Training for Meal Time Supervisors in active playground games to engage children who do not usually choose to be physically active at lunchtime. Purchase of additional lunchtime equipment.	£500	Meal Time Supervisors actively lead physical activities on the playground. Children spend a greater proportion of the play time physically active and know a range of games they can play. There is enough equipment for all children to be able to use.	Ensure MTS training is put into practice and that new MTS are trained up as they join the school. Ensure equipment is correctly and safely stored.
2	Updating of the home learning expectations so that all class teachers suggest ideas for physical and outdoor activities as part of the home learning challenge grid. Use of Class Dojo to promote and celebrate physical activity.	£NO COST	Parents are aware of simple ways that they can encourage their child to be physically active at home and are aware of the importance of their child being physically active.	Ensure that the new home learning grids are stored centrally so that they can be used in future years.
3	Free provision at after school clubs for targeted children to support them to be more physically active after school. This will be particularly targeted at disadvantaged and other vulnerable pupils.	£4000	Increased time spent physically active for targeted pupils. Improved self-esteem and wellbeing.	School staff run the After School Club to ensure continuity and quality of provision.
4	Incorporate movement breaks and physical activity breaks within each class timetable to provide 5-10 minutes short bursts of physical activity.	£NO COST	Increase in fitness levels and improved concentration and behaviour in class.	
5	Additional Meal Time Supervisor with a sports focus to lead and promote different games and sports at lunchtime.	£3000	Increased participation in physical activity from targeted pupils at break time and lunch time.	MTS to support with training of other staff.

6	Signposting of parents to BACE holiday provision for disadvantaged pupils to ensure they have opportunities to be physically active throughout holiday periods. Free places at holiday club to support increased physical activity for targeted pupils.	£NO COST	More children from disadvantaged backgrounds are able to take part in physical activity and sport during the holiday periods.	Ensure that school continues to promote the scheme to parents half termly. School working with holiday club run at the school to offer some free places.

**Objective 2: Raising the profile of PE and sport across the school as a tool for whole-school improvement
£600**

Planned actions		Funding allocated	Expected impact	Sustainability
1	Development of Playground Buddy role to include opportunities for them to be trained as sports leaders and to lead physical activity at lunchtimes and playtimes.	£600 (Release costs for Learning Mentor)	Older children are confident and knowledgeable to lead activities for younger children and the status of sport is raised across the school.	Ensure that this year's playground buddies train up the playground buddies for the subsequent year.
2	Within the school's focus on mental health and wellbeing through the RSE and Health Education curriculum, ensure that pupils know how physical activity can support mental as well as physical health.	£NO COST	Pupils are able to explain the link between physical health and mental health and wellbeing and suggest some ways they can use physical activity to support their mental health and wellbeing.	Ensure that all planning is stored centrally to allow access for future years.

**Objective 3: Increasing staff members' confidence, knowledge and skills in teaching PE and sport
£5050**

Planned actions		Funding allocated	Expected impact	Sustainability
1	Release time for PE Subject Leader to meet with experienced PE Lead at the CHBP Federation to review and develop curriculum mapping so that progression in skills and knowledge is clear and so that learning is clearly sequenced and there are opportunities to revisit and build on skills and knowledge as pupils move through the school. Purchase PE planning scheme to support teachers' subject knowledge and planning.	£1000 (Release cost) £750 (planning)	PE Subject Leader will have increased confidence to lead PE effectively across the school and to design a well sequenced curriculum with clear end points and opportunities for pupils to revisit key learning.	Teachers will know how to plan appropriately for PE and deliver high quality PE lessons.

2	Staff INSET led by the PE Subject Leader to ensure that all staff are clear about the skills and knowledge to be taught in each year group and how the curriculum is sequenced so that knowledge and skills are revisited and built upon.	£200 (Release cost to prepare INSET)	Increased staff confidence, knowledge and skills leading to an improvement in the quality of teaching.	PE Subject Lead disseminating training to raise the confidence levels of all staff in teaching PE.
3	Opportunities for ECTs and targeted staff to team teach with, and observe lessons taught by, the PE Lead.	£1200 (Release cost)	Increased staff confidence, knowledge and skills leading to an improvement in the quality of teaching.	Supporting non-specialist teachers to teach PE more effectively.
4	Release time for PE Subject Leader to observe CHBP Federation Sports Lead.	£600 (Release cost)	PE Subject Leader will have increased confidence to lead PE effectively across the school	Ensure opportunities for PE Subject Leader to share training with staff.
5	Membership of Barnet Partnership for School Support.	£1300	PE Subject Leader will have increased confidence to lead PE effectively across the school and access to expert guidance.	Ensure opportunities for PE Subject Leader to share training with staff.

**Offering pupils a broader range of sports and activities
£2000**

	Planned actions	Funding allocated	Expected impact	Sustainability
1	Audit the range of after school clubs on offer and survey pupils and parents to see which sports or physical activities they would like us to offer. Explore options for additional clubs in line with pupil and parent survey feedback.	£200	School will have an accurate picture of the clubs that parents and pupils would like to be offered and can plan forward for these for the next academic year.	Ongoing evaluation of participation in after school sports clubs, including by disadvantaged pupils.
2	Partnership with a parent volunteer to deliver football coaching sessions for x 20 Year 5 and 6 pupils.	£300 (Equipment for club)	Expert coaching will ensure that the children make better progress with their football skills and will also enable participation in the Barnet schools football cup/league.	Y5 Class Teacher to be involved in the training sessions to develop his coaching skills.
3	Purchase of new equipment to allow effective teaching and active participation of all pupils within PE lessons.	£1500	Equipment purchased will mean that there is enough for all pupils to actively participate within lessons and that equipment is appropriately sized e.g. smaller	Ensure that new equipment is stored safely and in an organised manner and is only used within PE lessons.

			footballs for KS1. Equipment will also allow for effective differentiation within lessons.

**Objective 5: Increasing pupils' participation in competitive sport
£1400**

Planned actions		Funding allocated	Expected impact	Sustainability
1	Complete pupil survey to analyse participation in competitive sport and identify any barriers to involvement including for those children who are disadvantaged.	£400 (release costs)	School will have an accurate picture of the number of pupils involved in competitive sport and any barriers to their involvement which will inform future use of the sports premium.	The surveys will help to inform future use of the school sports premium.
2	Provide opportunities for pupils with SEND to take part in mini tournaments and competitions run by Barnet Partnership for School Sport e.g. Boccia.	£500	Greater participation of pupils with SEND in competitive sport. SEND pupils have increased confidence and self-esteem.	Consider minibus hire purchase in the future to make travelling to tournaments easier.
3	Take part in Barnet Partnership for School Sport leagues, tournaments and other interschool events. Organise tournaments with the CHBP Federation to allow for greater numbers of pupils to be involved.	£500	More opportunities for pupils to take part in competitive sports with other schools. Profile of sports in the school is raised. Increased confidence and self-esteem for pupils.	Consider minibus hire purchase in the future to make travelling to tournaments easier.

Total funding allocation for 2022-3: £17,580 Total Allocated Spending: £16,550 with £1030 spending to be confirmed.
