

# Nursery News!

February 2020

## Nursery Newsletter Spring Term

A warm welcome to our January starters, Felix, Kiana, Ava, Heath, Franky and Alex!

They have settled very well and we are incredibly proud of them. A big thank you to the rest of the class who have displayed the value of 'kindness' and helped them to settle.

### ♥ Our Learning Journey ♥

This half term we have read the story of the gingerbread man and made delicious ginger biscuits.

We have compared ourselves as babies and thought about how we have changed as three and four year olds!

We have looked at our teeth and learnt how to brush them!

We have celebrated Chinese New Year, eaten noodles and watched a fantastic Dragon dance in reception class.

In our final week we have read the book "What Colour is Love?"

The children's most popular answer was  coloured!

## Emotional Regulation

We are continuing to encourage the children to name their emotions, such as happy, sad and angry and have used some simple emotion

characters to support their understanding.

- 1  STOP
- 2  Smell the Flower
- 3  Blow out the candle
- 4  Relax your body

The children are learning to breathe deeply if they are feeling upset and we use these images to help them.

You can use this at home too!

## Wish list

A huge thank you to all the parents who have donated items from our wish list. We will need some more items in the new year especially tissues, for the continual runny noses!

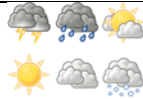

Please have a look at the list outside the classroom and if you are able to buy just one item it would be hugely appreciated.

All of the children have been exploring and engaging in lots of exciting activities this term.

Thank you to everyone who has made a comment or shared a thought about their child's learning.

Have you had a look to see what your child has been doing?

## Whatever the Weather!

Please ensure your child has a hat and gloves or mittens and Velcro fastening shoes.

Please keep their change of clothes on their peg too!

## Book Bags

After half term we will be encouraging the children to take a book home each week for you to share with them. They will need a bag to carry their book in, the school bag can be purchased from the office for £6.00.

## Home learning

To support a 'can do' attitude, please could you encourage your child to have a go at putting their coat on and pulling their zip up. 

Please snuggle up and share a book together. 

Count, count, count, anything and everything! 

Get out and about, take a walk in the park, visit a museum or take your teddy on a bus ride and email a photo of your adventures.

Most importantly enjoy your together time.
